“ Where do I begin to tell how special this one is to my heart ? Wayne and I were more like brother and sister and my heart is breaking right now. After Wayne’s Dad (Uncle Edward) passed away he stayed with our grandparents (Ervin and Ruby Harper) and part of the time he lived with my family. Wayne’s Dad and my Dad (Bobby Joe Harper) were brothers and Daddy always wanted to make sure that Wayne had a place to live with family. I used to always ask Momma and Daddy why we didn’t just adopt him ??? They said that we didn’t need no paperwork to prove that he was one of us because we showed him everyday that he was our brother. Mine and Wayne’s birthday was 2 days apart and he always called me to wish me a happy birthday and I did him. I am going to miss this very special brother of mine so much but I haven’t really lost him because I know right where he is. I love you my other brother and I will see you in Heaven when God calls me home.
