“ I never met Ed face to face but spoke. He was a very kind loving person who would do anything for anyone. A huge heart of pure gold I learned listening to friends and seeing the loving prayer post from people from all over after the accident. I am so sorry and praying for family and friends during this truly heartbreaking time

“ It was such a wonderful guy he was always helping anybody that needed a help in hand. He worked for my dad running the old truck stop on I-59. He will be sorely missed.

“ Ed would always come in to Hardee's and grab a biscuit I took care of him in the nursing home this is so sad to see he has saved me many of times even when my ex husband wrecked he came and got the car and saved him he was definitely a good one I hate to see him go for sure!

“ I met Ed in 1999 while working at Hubbard's South End Exxon. I was 20 years old and Ed was always so polite. In 2011 he rescued my car off the interstate during a very distraught time in my life. I have seen him at many businesses across Fort Payne over the years and he was always the same outgoing, talkative Ed. He will be missed .
