“ *Ellen was a joy to work with. I never passed her in a hallway without her saying hello and offering kind words. She had an awesome work ethic. She was here no matter what and volunteered ideas for improvement. Her peers valued her input and often asked her for help. Her passing is tough, however knowing her and being a part of her work family was a gift to us. Your family is in our hearts and prayers.*

“ My thoughts and prayers are with you and your family - although we never formally met, over the years exchanged waves in passing a fellow scooterist. It always made me smile to see you on your pink scooter and you will be missed here in our little town.

“ I have known Ellen since 1995 when I joined the choir at Abba's House. and had a great deal of admiration and respect for her courage and perserverence even under very difficult times. She loved to sing and had a lovely voice and I'm sure she's now joined the choirs in Heaven worshipping around the throne of her Lord. May God bless you all and give you peace to know that she has gone to a far better place. You are in my prayers and I will always remember Ellen as a sister and fellow warrior in the army of The Lord.

“ To the Family of Ellen: I had the privilege of singing in the Church choir @ Abba's House (Central Baptist) with Ellen for several years. She was a warm and caring person. She would always ask the choir to pray for her family whenever there was sickness or some other concern. She was very faithful to the choir and her Church. She and I shared the same birthday, March 26th - we always wished each other a "Happy Birthday" on our special day. She will be deeply missed. I would like to extend my deepest sympathy to you in the Homegoing of Ellen. I truly believe that she is at Home in Heaven with our Saviour Jesus Christ, Who died for our sins and Whom she deeply loved. May the Lord bless each of you - you are in my prayers.
