“ *I remember Estelle as being as a sweet amd loving person. I extend my deepest sympathy to all of her family. The winds from the storm, Lee, had our power and phone off for several days so we could not be reached. We heard what happened after her funeral. God bless all of you, always. Love, Aunt Barbara*

“ May God hold you each a little closer as you go through this time of loss. I will never forget Estelle making my wedding cake back in 1972 and she allowed me to help her. She was a wonderful woman and a fabulous cook! This world's loss will certainly be heaven's gain....love to all her family!
