“ Chris, I am so sorry for you loss. As we passed your house last week, I remembered when you would come and sit in the room with my Mother and me when she was a patient in Ft. Payne. You was her nurse. You were so sweet and kind to us. She died 24 years ago last November but I still remember your sweet face and gentle words. I cannot imagine your pain in losing your mate. Please know that my prayers are with you and your family.
