“ *Dear Friends,
Please know our prayers and love are with you. We were unable to come by last night, but went by this morning and signed the guest book.
We have continuously been lifting each of you up in prayer. We are so sorry for this tragedy. These are the times we must let God hold tightly to our hands, because our strength is so weak.
We love you all and will continue to lift you up in prayer and love. Prayer is the most powerful way we can help, but we are here anytime you need us. Sorry we were unable to see you last night and give you our love personally, but be assured it is there.
