“ The wisdom of Ms Jagoe transcends my ability to describe with words. But she impacted many of us in ways large and small. not only in the classroom, but outside it. she was unfailingly energetic and optimistic and so smart. A real gift from God. RIP

“ *I was a student of Ms Jagoe's In 1983-1984, 8th grade. I still remember learning about the Fall-out shelter at Manitou Cave from her. We had to draw a map of how we would walk to the cave from our house. Sweet memories, sweet lady!*
