“ Mike was a great friend to me as well as many other TDS employees . Mike was a smart central office tech. who was willing to explain how the old c.o.equipment worked . He really make it easier for installer-repairman to better understand what all it took to make a phone work. Mike was the best "yankee" I have ever met. Mike was always willing to help someone even if he wasn't asked . He just stepped up and helped much like a family member would do. I and many others will miss Micky. Micky and some of us used to talk about our love of guns and shooting and this I will miss. Lisa I know you will miss your dad and I'm sorry for your loss. Best wishes from Tommy Hansard

“ Lisa, Kent, Willie, and Gary,  
F.X. was a wonderful father and very loving man, even if he was ornery. I know you will greatly miss him, and my heart hurts for all of you. One of my favorite memories I have is of him dancing with young and old ladies at our wedding. I have included the picture here. I loved his spirit!
