“ *When I was little, I used to think my papaw was super man. He was so big and strong and it seemed like nothing in the world could hurt or discourage him. His confidence in everything he did showed through his hard work, some times that confidence easily turned to stubbornness. My papaw will be forever loved and missed by all who knew him*

“ Dear Family, I worked with Frank for nearly 10 years at Superior as an Office Manager. I learned so much from him. He was a hard**, but you always knew where he stood. I have many fond memories of him and the lengthy conversations we had in the office trailers on rain days... He was a good man. I am truly sorry to hear of his passing. My thoughts and prayers are with you.

“ Rhonda, Cathy, and Cindy, We are greatly saddened to learn of Uncle Frank's death. While there are no words that we can say right now that will truly begin to help comfort you in your time of loss, there is a God who can wrap His arms around you and surround you with His peace and His love and that is our prayer for each of you. That you would lean on Him for comfort, reassurance, and strength. While we may not be able to be present with you in body, we will be present with you in spirit and in prayer. We send our love, our condolences, and our prayers. Tommy and Teresa Wilson
