“ *The best memory I have of Gage is: One day my dog got out and I asked Gage to help me rangle him up (he loved to run when he escaped from inside the house), anyways, Gage tried to trip him up by swiping his back leg. Needless to say, my dog was sitting on my back porch waiting to be put back in the house. He would always help me when he got out. I am gonna miss you so much Gage. I love you babe, and fly high with the ANGELS. R. I. P. baby :(*
