“ I will always remember your back porch, overseeing the cows in the pasture. You had it fixed up so nice with all your beautiful flowers and plants. I remember it being your haven and it became mine. Love you, my Dear Sister! (Sister) - Peggy

“ Gail & I met for a brief but special time in our lives and we knew then it was special.
Gail was a strong willed woman, with many hopes and desires for her future. True grit & fight for who she was & what she could be; separated her from other girls of the day.
Ours was a special time, in a special place with memories that lasted a lifetime.
Thinking of you all, Gabe
