“ I would like to express my sympathy to Harold's family. I worked with Harold through Tel-Trans National Permit Service in Indianapolis, IN for a very long time. It was always such a pleasure to speak to him when he would call to order permits for his trucks. He was the epitome of a "Southern Gentleman", which is quite uncommon in our business. We would get in a little small talk every once in a while. Hummingbirds were a topic that we often spoke of. Although I have not spoken to him in quite some time, not long ago I asked one of my co-workers to tell him hello and that I missed talking with him. He responded in kind. He will be missed.

“ I was so sorry to hear about Harold passing on. I have known him since I was a little girl. He was a wonderful man. Always had a story to tell about the good ole days. My grandfather introduced us. He worked for Vulcraft for years with J. Poe Trucking. My prayers are with the family. GOD BLESS.....

“ I am Wendy Hammonds Lassetter, daughter of Steve and Anita Hammonds. For years we have talked with Harold at Vulcraft in doing business but the one thing I will always remember is his overwhelming kindness. He was the same everytime I talked to him. When I was new to helping Dad with his business, Harold went the extra mile in helping me to get the hang of things and I will forever be so grateful. We are so sorry for your loss and Harold will forever hold a special place in our hearts. You are all in our thoughts and prayers. Steve and Anita Hammonds Wendy Lassetter
