“ *I am so sorry for you loss. Henry was a patient I won't forget. Through all his suffering he went through; he was one of the kindest patients I had ever met. I would walk in his room in the morning and see his face full of pain and he would look up and say "well good morning Christine". Smile as if nothing was wrong. God Bless you and your family. RIP Henry:)*

“ *Very sorry and sad to hear of Henry's death. Condolences to his family. My wife had chemotherapy today and I could not make it to the memorial service in McDonough, however I was thinking of you all.*
