“ *Henry, of course to me Henri, was a spiritual guide, and he gently ushered me along when my path did not seem clear. Now he understands all the fish we did not catch. Beyond that, he understood the ones we did. My children remember Mr. Henry, up at the lake. I will miss him every day.*

“ *I'll NEVER forget the many acts of kindness H showed me. He was the Best man at my wedding, and was always there to let you know you had a friend. I'll treasure our times of "throwing" some clay. I hope to see your smile to welcome me home, when God says it's my time. Love you always. d*

“ On June 4, 2021 we lost a wonderful man. Henry was a treasured friend that I will dearly miss. We first met over 35 years ago as “new hires” in the Lincoln County Georgia school system.

He was passionate in all of his life experiences. A proud Viet Nam veteran, a gifted artist, a dedicated teacher and truly best friend.

I was blessed to take him on his very first successful deer hunt, introduced him to striper fishing, and I agree Henry, you always could catch bigger fish.

I am so thankful that our paths crossed in this life. I will remember your wonderful and gentle soul will forever. Rest well dear friend.
