“ *So sorry to hear of Hollis's passing. Worked with him 25 years at Gametime and I don't know if I ever met a more consistently kind and encouraging man. Always a smile, always offering to help out with a project. He will be sorely missed, there are so few like him. May God bless and keep him and may He bring comfort to the family!*

“ Hollis was a good friend from long ago, I got the privileged to know him back in our younger days, he was playing in the bands that playing the dances when I first started coming to Fort Payne, we instantly became friends, haven't seen him in very long time but his friendship was always cherished by me, prayers for the family, I know that he'll be missed!

Hollis and I went to school together but got closer in High School. He was always a good friend and kind to all. I will miss him as I know the rest of our class will, he had to work during our last class reunion planning meeting. Little did we know that would be our last opportunity to be with our friend.
