“ *Jerry and I have been friends since early childhood. We had many adventures as kids and a lot as grown-ups. When Jerry was the president of the bank, I borrowed money from him to buy controlling interest in First State Bank. His company frowned on that and it never happened again. I think I only went fishing with him once. I remember that he fished hard and long. I got so hungry that I ate some raw bass. Jerry was a good man, father, grandfather that everyone i knew respected. i will miss him. My prayers are with his family. He doesn't need any. Larry Chesser*

“ *Sheila, I am so very sorry to learn of Jerry's passing. You and I have never met but Jerry and I were cousins and he was just a little over a year younger than me. I am working on my family genealogy and I'd like to have your maiden name plus your parents' names. If you are on FaceBook, please friend me. If not, please get in touch with me. Again, I am so very sorry for your loss. Pat Whittle Hancock. 601 E. 23rd Ave., Cordele, GA 31015*
