“ *I will always remember his kind sweet spirit. Loved him and Helen. They were a beautiful couple. I also remember when our oldest grandson was born with very many complications and Bro. Hoyt gave them some money. He was I. Children's Hospital in Birmingham. Melissa and I with his big sister of two years old followed the ambulance down to be there because Mommy was here she had had a C section and could not go. We had been up all night. I know they prayed for us all especially for Jacob. That is just the kind of man he was. Always had a smile for you. God love him, we will miss him but he is home now. Go rest high on the mountain for you work has been done! God bless his dear family. Love you all. Larry and Faye Bone*
