My heart is broken to have lost my very close friend, Hunter. Lisa, I weep and pray for you loosing your best friend and husband. May God give you strength to to get through another, even greater loss so soon. Hunter would tell me he was doing this and that for you and would laugh and tell me I needed to get to know you .You were funny & we would laugh together. He was so proud when he got your car. Delight was from ear to ear that he had made you so happy. His love for you always showed, even when he was a little ill w/you. The two of you had the love many people search for all their lives and never find. With sincere empathy may your memories and God comfort you.

“ Please accept my condolences and my apology for not being able to attend Hunter's service due to a previous engagement out of town. I enjoyed the time I had working with Hunter at Constantine. I pray that the God of all comfort will help you through your time of grief.

I'm so sorry to hear one of our classmates, Hunter Long (Plainview Class of '77) has passed away. Praying for his family and friends. I just noticed in the obit that Brenda Fischer was his sister in law. I worked with her many years ago at Spring Hosiery. Small world! I hope God will wrap His loving arms around each of you during this most difficult time. Also sending our love. ❤️
