“ *We are very sorry for your loss. We remember her fondly following Don Jr. on the PGA Tour (in Tenn.) as she was right there cheering him on and walking all over the golf course. We will continue to remember the entire family as you adjust to this vacant place in your family.*

“ *I still remember the first time I met Nannie Iusie....Memorial Day weekend 1993. Some of the things she said that day still make me laugh! All of you should be thankful for a mother and grandmother like Iusie and that God allowed her to be here with you for so long. I know you are! May God be with you all right now. I hear the service was wonderful...what a special 94th birthday celebration for such a special lady!! Love, Kent*

“ I am so sorry for the loss of your loved one. We never outgrow the need for our mother or grandmothers. She certainly was a lovely christian lady and when I think of her, I see the church (church as in God's people) in the background. Always so friendly, smiling and jovial. My prayers are with you.

“ I will miss my Aunt Iusie. I remember so many visits with her - collecting chicken eggs, picking okra and riding Uncle Howard's golf cart up and down the road. Oh, and HER COOKIN! God's peace and love is yours. Until we meet again. Love you. Joe Biddle & son Kevin
