“ *I remember Jack when I was able to get a summer job knitting socks at Bonnie Mills. He was there then. Also, J.L. Hughes worked there, I recall. My condolences go to Jack's family.

“ *Jack was a successful business man but more importantly he was a success at life! I cannot imagine anyone meeting Jack and not falling in love with him instantly. His magnetic personality, gentle smile and kind heart could easily pull you in. His children and grandchildren are a testament to this trait. What a blessing to have been considered a friend of Jack's.*
