“ We are so sad to have found out about the loss of Jackie.
It is so many years since we have had any contact.
Farrell & Will are in our thoughts.
We have many happy memories of your time in England.
Going to Harrods, Will getting caught by the Gertie the goat,
Spending Thanksgiving at your house.
Always being made welcome.

“ Jackie was always smiling. I often met her at the post office and one day that stands out to me was on a day I was very sad about the death of a loved one and even though she was battling cancer and had her own problems she took the time to give me hugs and encouragement. My heart is so broken to hear of her passing. You will be greatly missed my friend.
