“Melba, I'm so sorry for your loss. Good memories will ease your pain. I've been away for so long, that my memories are more of the sweet friend I remember and care for her and the family. I will keep you in my heart and prayers.

So sorry to hear about the loss of Mr. Baker. Great memories of the Baker family who were very close friends for years. Praise God for Mr. Baker's Dad - R J who was a close friend to my Dad Will Wehunt and a dear co-worker of my Dad working on the interstates and all four lane roads in the South - especially in the State of Alabama. One of the most memorably ones was Bessemer Supper Highway - it should be named Baker-Wehunt Road.

Melba, I truly wish I could be there for you and the family. Sitting here thinking of Bonard - so many memories fill my head; from the days when I was a kid and our families got together each weekend to the hours he and dad spent fishing, to the rock he was for dad when mom left this world. He was more than a cousin to my dad -- he was his best friend and a special friend to my siblings and me. Again, I wish I were there so that we could laugh together as we share some of those memories. I love you and the kids so much. Big hugs from me to you. I love you.
