“ *To the Family of Nelson :*

Most of you don't know me but my name is Tracy Welden, I have worked at the Library for many years. Nelson used to spend a lot of time at the library on the computer, and he always needed my help. He would always call for Miss Tracy. We would laugh and joke a cut up all the time. He was a sweet person and a good friend. If he ever saw me out around town we would talk and laugh as well. I was shocked when I heard about his passing and I find it hard to believe that he's gone. Rest in Peace Nelson, Miss Tracy will miss you.
