“ Bill Majors was such a wonderful & unique person , so many great qualities , always considerate, helpful, caring & loving,.. a smile on his face & a story to tell .

When I mentioned to Bill about my interest in wood works , he told me that he would go with me to a class that was offered at high school by Chip Blanton.. And we did !! Most enjoyable to be around . His knowledge of woodworking was so vast , I tried to absorb every word . I was always amazed by his talents , .

On the more affectionate side , he was so good to Amelia , she would tell me how he would stop on the side of the road if he saw a particular pretty flower, & bring it home to her ..even falling one time in his endeavor , but got the flower home to her..

Sweetest gesture as he said his final goodbye to Amelia , singing “ Have I told you lately that I love you”

Such a sweet , polite gentleman . My family & I all loved Bill , so sorry for the loss of a great man ..out of the ‘greatest generation ‘ .
