“ Pat was well liked and very friendly. He would help in any way that he could. He was a good electrician for his family and friends. He was at one time my son-in-law and we thought highly of him. This was a shock to us. The Blanchards

“ I was really saddened to hear that Pat had passed. He fought an incredible battle with cancer and kept a great attitude during his fight. Cheryl, my thoughts and prayers are with you and your family during this very difficult time. I know that nothing we can say will make the pain better, but hopefully knowing where he is will give you comfort in the days ahead. Heaven sure received a great addition last week.

"Do not let your hearts be troubled. You believe in God; believe also in Me. My Father's house has many rooms; if that were not so, would I have told you that I'ma going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you may also be where I am." John 14: 1-3
