“ *When times like this makes us reflect back to those “good old days” of high school so many memories unfold that include Ronny; the band, the practices, the songs he loved to sing. To his friends, may looking back in memory help comfort us. To his family, may the love of those around you help you through the days ahead. Those of us who share your loss wish you comfort and peace.*

“ *My deepest sympathies go out to Ronny's family. I knew Ronny very well when I was about 10-12 yrs. old. He was good friends with my uncle Tony Blansit. He played music and would sing around the campfire at Driftwood with my family. I had such a crush on him back then, he was so cute. He would ride me on his shoulders and push me in the swing. He was very much a part of my childhood, I loved him dearly. He was a special person in my family's eyes. Thank you, Tina Gilbreath Hairel*
