“ *WE were saddened to hear of Janice' passing, although she had been suffering for quite some time...now she is at peace with the Lord. She will now be at his side and no more worries, no pain. Janice was a sweet person and would do anything for anyone. She will be indeed missed in the community and by her family. May God comfort all the family at their time of grief and know that God be with you til we meet again on the other side.*

“ I will miss Janis calling randy and I and telling us that our cows were out!. also, I'll miss going by with a vase of flowers for Janis, cause she loved flowers just as I do; sitting and chatting with Janis about our kids and life! She was one of the few people in our community that would always tell us how proud of Randy she was. I'll miss my friend, love, kelly & randy owen

“ Dear Holbrook Family, You may not remember me for it has been many, many years since I've seen or spoken with you. But, some of my best memories are the many happy days I passed riding horses with you and enjoying spending time with your family. I am so sad to hear that Janice has passed. She was surely special. God bless and keep you all in His tender and loving care.
