“ *Jeff and I graduated high school together. I was out of town and was not aware until I returned. I pray that God's grace will bring you and your family comfort and peace. I am deeply saddened due to your loss as well as for our class of 1979.*

“ *I remember Jeff from working at Wendy's back in 1977-79...he also worked there for a time. So sad to hear of your loss. I've not too long ago lost a sister in law, Betty Hope and recently lost my dad, Clyde Hope...i share in your grief. It's hard but with God, he will make it easier over time for you. Just be assured that he is now with God and at peace. May God richly bless the family. From the "Hope's"*

“ Lisa, I'm so sorry about Jeff. I don't think I've seen him since I moved from the mountain, but I do remember him. I have thought about you many times and wondered what has gone on with your life. You remember I ran into you at the park one day. That was many years ago. I would love for you to e-mail me when you get a chance, just to catch up with each other. God Bless Vicky Stephens Burns
