“ *I'm so sorry to hear about Jenny's passing. She was part of a close circle of dear friends from high school and a sweet girl. I saw her only once since high school but I have thought of her often. I trust she has found peace. My heartfelt thoughts and prayers go out to all her friends and family. She will be remembered with love and deeply missed.*

“ Jenny sat next to me in art class and I was in awe of her creativity and passion. I spent time with her in Swarthmore and will remember her kindness and gentleness. She is free now.

“ Jenny, oh Jenny. Your sincere love for animals and the joy you got from seeing them well-taken care of was just a small part of what made you a beautiful person. I will miss you, Jenny.
