“ *There is so much that we did. We grew apart at high school but who didnt. You will be missed so much and many prayers for Corey, your kids and the rest of the family. Fly high with family and the others that we lost of class of 2005. Rejoice with the Lord.*

“ *Our deepest condolences to Jessica's family - especially to her children, who she was so proud of. Jessica was a kindhearted spirit, always willing to help me - with my mom when she was ill, my flowers, or my pups. And, she was always grateful, never missing the opportunity to thank me. She will be missed. Darlene & Jim Rotch*

Johnny Mac, I am so very sorry. Anytime I see Kuykendall I read Whatever it is. I did not even make the connection to you as the Mac was missing. I know it has been a multitude of years since we have seen one another but know you all certainly are thought on often. One can not speak of Granny without talking about all of her siblings. SHE was a beautiful young lady and now a beautiful heavenly angel.
