“ I am shocked hearing of my sweet cousin Jewell's passing. She & I were very close when we were children. Our Mother's were Sister's & Jewell & I love to play on her parents farm at SandRock, AL.. I lived in Gaylesville, AL. While we only lived a short distance from each other, to us it seemed like MANY miles between us! So, we treasured our visits. We would write each other post cards in between visits. Our favorite place to play was in the Loft of their Family Barn. We told each other our secrets that were never shared with anyone else!! We used hay bales to make us a play house, in the Loft of the barn!! There was a heavy rope from the "Catch door" That we would swing from & jump out of the door, onto some hay bales below! Such wonderful carefree Memories flood my mind of those by-gone years of our childhood! We also played with her neighbor kids, the Smith's & the Stansell's. We enjoyed picking sour green apples & green Plums. Eating them, with our Mother's telling us we were going to get Belly aches!.....Never did get sick from them. One of my Favorite Memories at Aunt Mattie & Uncle Fred's house was waking up every morning to the wonderful smell of Fresh Coffee, Biscuits, Ham & eggs with homemade Jam!! Jewell's brother Elgin would come get us, & carry each of us to the kitchen on his back! He too was a wonderful Cousin. Jewell Had another Brother. His name was Clyde & an older Sister named Louise. They were both married, but lived close by. Louise's house was across the road & there was a creek behind her house with huge Lime stones near it, so all of the younger kids would gather there & play in the creek on hot days!!

When My Daddy moved us to Michigan in 1953, I was 10 & she 11 yrs. old. We would write Post cards, (that only cost us a penny to mail! I wish I had kept them!) missing those fun times together! When my parents retired & moved back to AL. They bought Jewell's Mother Inlaws little house next door to Jewell & Kenneth. So we saw each other a lot then. One by one my 3 sister's & I followed our parent's back to AL. So Jewell, Kenneth, my husband & I would spend every Friday evening together. We LOVED going out to eat &

*then to Listen & see live Country Bands preform. SO much fun & Happy Memories to treasure. Jewell LOVED all her Grandchildren & helped raise some of them. She was a Wonderful Grandmother & I know she will be missed by them. ALL of our cousins will miss her too. Especially my sisters, Annette, Marilyn, Nancy & I !!!!
My Prayer is: May God Bless each of her Family & give them comfort in knowing they will see her again some Glorious Day when we can ALL be together again!!*
