“ *So sorry to hear of Jimmy's passing. My husband just came home and told me. If I had known earlier I would have been there. I came by the funeral home and wondered who was there. After Don told me, I got on the computer to check and it was too late to get there. Last time I talked to him, I thought he might be better. We had a good time working together at adult ed. One thing that I learned was he surely did love his grandchildren and how he loved their riding on the tractor. He was a good man. Will remember your family in prayer.*

“ *Rocky and Audra and family - It was such a joy to meet and deal with your Dad when he would come to the Co-op (pre-hunting, hunting, and post-hunting to let me know about his successes). He had such a wonderful bold personality and he loved his family so much and was so proud of them. Rocky, you blessed me introducing me to this strong man. Thank you so much. He was such a hoot!!!!*
