“ *HELLO. My name is Jerry Wills. Jimmy and I were close friends during the eighth grade and high school years. When my family moved back to Fort Payne, Jimmy was one of the first people to make friends with me. He liked to go to Wills Creek to swim after school in the eighth grade. He rode me to the swimming hole located close to the current hospital. I was so small that I was able to sit on the bars or between the handle bars. We would take off our pants and swim in our under ware. We had no towels to dry off so we went home with wet pants. I lived in south fort Payne on Grand Avenue so it was not far from the swimming hole. We spent many nights at each others houses. I used to visit him when he lived next to the old HI-JAC building where my mother worked. I would visit until my mother finished working her shift and I would go home with her.*

Jimmy was a Wonderful athlete. He and I played baseball together all the way through high school. He decided to focus on basketball instead of football. We played a lot of backyard basketball together. Jimmy always had a Wonderful outlook and great personality. I am truly sorry for your loss.

I am sorry for the loss of a good friend and classmate. I have known Jimmy since grade school. We would play football in my back yard and PeeWee football at Forrest Ave Elementary school. Though we went separate ways after high school, Jimmy always had a heartfelt smile and happy greetings at our high school reunions. His absence will be mourned by all. My condolences go out to Ethelene and all his friends and relatives,

*Sincerely,
Euell Blackwell*

Where do I start? First of all, he was one of the greatest men I have ever known, loved everyone with his whole heart and if you needed help in any way, he would be there for you. I am truly blessed to have had a friend like Jim. He will truly be missed by everyone that knew and loved him. My condolences to his family. Prayers and love to Ethlyn, a beautiful and special lady.
