“ *I have always looked up to her and uncle Jimmy and have always thought greatly of them both. She will be missed in so many ways. Love all of you and will be praying for all. Even if I can't make it back down in time my thoughts are all there with you all.*

“ *I have so many memories of my wonderful Moma. She was always there for all of us. She loved us all unconditionally. My heart is heavy but I know she's in a better place. She has no more pain and suffering. Heaven gained a beautiful Angel. I love you Moma and I'll see you again.*

“ *Proverbs 31: 10-31 describes what God considers to be a virtuous woman, how she has worth far greater than jewels. How her husband trusts her and how she brings him only good. How she works hard for her family and provides. How she works in the field, and at home, vigorously and faithfully. How she is clothed with strength and dignity, how she gives her family faithful instruction and watches over the affairs of her household. How she rises early to feed her family. How her children call her blessed and how we are to honor her for all her hands have done.*

*That's my Mama to a tee. I have been truly blessed to have Jo Graves as my mother.*

*I am heart broken by your passing, but like you and I have discussed before, we have the hope that only Jesus Christ our Savior can provide that it is only for a little while because we have trusted in him alone for our salvation. That is my comfort in all this. HE has told us it's only for a little while, just a short good-bye.*

*I love you my sweet Mama.*

*Chris.*

“ *I have memories of Jo as a very giving and loving mother, grandmother, and great grandmother. I will strive to be the kind, loving, and always present grandmother that she was. I will miss her as a friend! Jo always made time for me and made she feel she cared - and I believe she did. I loved her and will miss her. Jim and Connie, please know I love you guys and please call if you ever just want to talk. I hope to see you in the summer.*
