“ Jo Ann was a special lady with a. Servants heart. She loves our community and served it well for many years as a volunteer since retirement. I would see her quietly serving or attending so many functions. She will be missed and I will especially miss her sweet servants heart. □

“ Ms. JoAnn was a dear friend of my mother's. I had known her for over 30 years. She became my dear friend as well. I never ever encountered sweet Jo Ann without her smiling and giving me a word of encouragement. Never did she leave my presence without telling me how much she loved me. I love her and will miss her terribly.

“ I knew Jo Ann, such a sweet compassionate person, she was always at our monthly prayer Breakfast, first at Kings Restaurant in Rainsville and then at The Mountain Grille after kings closed.

The last time I saw her was at Sweet Home Cafe when she recognized me and made sure to come speak.

So sorry to hear of her passing, but Heavens sounding sweeter all the time.

We have been neighbors and friends since we moved here from Florida 40 years ago. She was one of the sweetest and loving people I have known. I will miss her smile and sharing the Word of God with her. Prayers for the family and all her friends.

JoAnne was a friend who is very sorely missed! Life will never be the same here. She has been a precious friend and advocate for so many of us who knew her. Looking out for the welfare of others less fortunate or in difficult situation to lend "quiet" help. Never tooted her own horn. Always a positive word, always encouraging. Loved to talk about Jesus. If only I could talk to her, be in her presence one more time.

God be with you and give you peace, Tony and Teresa, Wayne, Emily, Carrie, Allyson and Zayden.

JoAnne had been a friend to me since I was a kid, over 40 years and also to my sister. She was a genuine loving caring sweet soul and would do anything for anyone if she could. I will miss her sweet smile and encouraging words she had every time we met, she always let my family know she loved us as well as we loved her. Tony, Wayne and the rest of the family, she was a true gem as I know you all knew. Praying for you all today and in the days to come.
