“ *Bro. John was a fine Christian man and loved by many. He truly loved singing.
The Members of Street Side Baptist church will certainly miss him at our singings.
He sang a song which was our favorite "Heavens Point of View"
Wow, I can imagine he is doing some amazing singing in heaven now.
Prayers and blessings to all the family.*

“ I will never forget you, Uncle John. I will always remember how much you loved to talk about your younger days, and how different things are today. You always kept up with current events and talked about how to solve the world's problems with me. I loved watching your face light up when you spoke of Rebecca and Brian. Music and singing, that was your thing.....don't think I've ever meet anyone anymore passionate about it than you. So sorry you were in so much pain before you left us. We will miss you.
God bless and keep you in his care,
Jan
