“ *John welcomed me to the Little River neighborhood in November 2020, in the midst of the pandemic. He told great stories, drove veterans to the VA for services, and was a generous soul when it came to helping out his neighbors. The world was a better place because of him, and he will be missed.*

“ *John was our wonderful neighbor on Prophet's Rock Road for many years. John always had a story to share although many times I felt like I was coming in during the middle of the movie and it always took me a bit to catch up. John was always positive and always saw the best in people and events. The world is a poorer place without him in it.*
