“ I am saddened to learn of Johnny's passing. Johnny and I had been friends since we were toddlers....our dads were fox hunting buddies and he was always with his dad when they would come visit my dad. My dad passed away in 1948 and I think Johnny's dad died not long after that. I also worked at Vulcraft for many, many years and so, our friendship continued for a long time. I no longer live in Fort Payne but kept up with Johnny on Facebook until he stopped posting a year or so ago. I am so very sorry for the family's loss of a great guy. He was a genuinely nice guy and he will be missed by many. God Bless you all.
