“ Oh MawMaw you dont know how much you are missed and loved. I cant delete your last text to me. I keep it in my messages. The kids Shane and myself was shocked when we learned how sick you had gotten. You had talked with me the last time when we lost Michael I could tell it took all you had to keep your throat clear to talk to me. Always positive, loving, asking what you could do all while you yourself was sick. You was the hugger, the shoulder, the supporter always and now you're gone and trust me noone can fill your shoes. No one!! These 3 kids love you and miss you so much. We're staying in touch with Crystal she had Gracie spend night with her after the memorial. Idk how she stays so strong but she has been. But you've helped guide her way in somethings I'm sure. And Dylan done such a amazing job telling about his MawMaw. You are loved and missed by many. Love always Val, Shane, and kiddos
