“ *May God comfort you in this time of loss. Judy was a beautiful woman with a big heart. I don't know that I can think of a single person that was better to my mom and there are just not enough words to express how much that meant to us all. She lit up a room with her smile and blue eyes. I consider myself blessed to have had Judy in my life and to have been able to call her a family friend. Know that she was loved by all and will be truly missed. God Bless, Angela*
