“ Oh my where do I begin..... I loved her as a sister, as a wife to my brother from another. I still hear her laugh when she was in labor with Russell saying she was going to spit him in my face and she nearly did. She gave me permission to always love her boys which was never a problem. Was there for me when I lost my Mom, Dad and Bobby. Judy you will always be in my heart as one of the good ones. Love you Sweetie. Thank you for being you!
