“ *I wish to extend my sympathy to the family of Judy during this difficult time. May you be comforted by the promise of the resurrection, and the end to sickness and death forever. God makes this wonderful promise to us at Revelation 21:4 which reads, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Soon death will be no more and never again will we have to bury our loved ones. I hope you find some comfort in these amazing promises from God.*
