“ *Dixie, Margaret, Scarlett, & Family. We are praying for you all that God will give you strength, courage, & Comfort through this very painful time. I can't even imagine how much you are all hurting. I don't know Gods plan, or why this had to happen to you. I do know that God is bigger & stronger than we are and he can give comfort no matter how great the pain. I love you all and hope & pray for God to bless you with the Peace that passes all understanding. Im so sorry I couldn't come or be there for you. I wanted to so badly to just give you all a hug and let you know that we love you. Remember the times with Justin and the things he did that made you laugh & smile, write them down so you will never forget "the little things" I know you will never forget him. Praying for you, Bruce, Debbie, Ethan Wright*

“ *To the entire Keener Family: I am sorry to hear of the passing of this little child. Please take comfort that he is not suffering but is sleeping in death waiting on the fulfillment of John 5:28 & 29. We can see our dead loved ones again; right here on the earth but under different condition; Psalms 37:9,10,11, & 29. I pray & hope these words will bring you great comfort. Love,*

“ I cant imagine what you guys are going through right now. Please know that God took your precious child home because he needed hm in heaven. We love you and God loves you too and He will be with you every step of the way. Remember this: Footprints in the Sand One night I dreamed I was walking along the beach with the Lord. Many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints, other times there were one set of footprints. This bothered me because I noticed that during the low periods of my life, when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints. So I said to the Lord, "You promised me Lord, that if I followed you, you would walk with me always. But I have noticed that during the most trying periods of my life there have only been one set of footprints in the sand. Why, when I needed you most, you have not been there for me?" The Lord replied, "The times when you have seen only one set of footprints, is when I carried you." Mary Stevenson
