Katie was both my 5th grader and my 8th

angel.*

“ I remember Katie and Kari coming to my Mom’s house and Maw Maw Watts would be there to help watch them plus Brittany and Jonathon. She was the most precious thing with a beautiful smile. As time passed she always greeted me with a hug and asking about our kiddos. I wish I had known her better as an adult. My heart breaks for everyone. God, please give them peace and mercy to face each moment.
