“ My husband, George, and I have so many wonderful memories of Kenneth (and Brenda). Dancing with them was the beginning---and antique cars tied us together, too. We have such fun memories of the four of us traveling together to Gatlinburg. I still have a special ribbon that was at Brenda's gravesite since we were in Iowa when she passed and this is a memento for us. Kenneth also loved antique cars like my husband and I do--and we were at many cruises and car shows with him. We continue to be grateful to Kenneth for helping us with our 1936 Dodge. So, so many memories! We will miss you, dear Kenneth, but we shall also "see" that you are now dancing again with Brenda in heaven! George and I love you both and offer our sympathy to Rachel and the entire family. May Kenneth's soul rest in the peace, love, and joy of the Lord, with his dear wife, Brenda. Until we four have a reunion in heaven some day---we are 79 and 81--prayers and love to all who love him as you deal with his grievous earthly loss.
