“ I only met Kevin one time, but I remember his name as a friend of my brother many, many years ago. For over a year he helped my sister through her sorrow and was a very good friend. As she told me one time “he makes me laugh again”. Thank you, Kevin.

“ Kevin you were a life time friend, we shared birthdays that are a week apart, you're a life time friend, we met when we were four years old , through the years we may not see each other for long periods but it was like it was yesterday, we always picked up where we left off. You were a good friend a great husband and a great father, you were always so proud of your children.. you were loved by many and will be missed. I'm glad you're not in pain anymore!! Fly high my friend! May Gods grace be with your kids and grandchildren and friends!!
