“ I had the honor of sharing your last birthday with you and jamie. You told me my last name should have been Hairel. We laughed bevause your baby brother got gray hair before u..kim..baby girl..i know your free from your broken and tired body. I know you are running through heaven and eating that pizza we talked about. I know I can't wait to see you again in heaven. I miss you my beautiful friend. I will miss your big loving heart..I will miss your conversation but I am so happy knowing you are soaring high with angels. Until we reunite again..I love you kim..rest in peace my beautiful friend. Btw..Jamie will be fine..I'll make him behave. It's a huge task you've given me but I'll do my best. I love you and I love all the Hairels. May God keep all of yall and bless you guys forever. P.s. you still owe me a pedicure..lol
