“ *I did not know Mr Burt but I had the honor of witnessing his procession today. It was a heart warming site. Mr Burt was a loved man, I've never seen a procession that long. All of those bikes and those beautiful flags. I am so sorry for your loss. Thank you to all of you for giving your loved one a such a touching tribute.*

“ *We still are having a hard time grasping what has happened. It just feels unreal that someone as special as you could be taken from us so quickly and unexpectedly. What a sad loss to the world without your being in it. You will never, ever be forgotten by those of us who love you dearly. Monty and Mars*

Uncle Larry always had a kind word or some form of logic that most of us didn't think about. He was always good to me from the time I was a child and attended Gravel Hill Baptist Church or later in life when I happened to catch him home and stopped by for a quick visit. He was always the same and he appreciated my company as I graciously accepted his. Ride high Captain Jack until I see you again. Love to all the friends and family grieving the loss of a fine man.
