“ *Stella and family,
Our phone has been in and out all week
because of hurricane. I would have come to
memorial service otherwise. Lewis Dale was
always,always such a sweet cousin to me.
Never saw him without a huge smile. I am so sorry for the loss of
your brother.

“ *Lewis was a member of our family. He was
always there when we needed him. He made
everyone around him feel loved and special.
When he met you his greeting was" You look
great!". A great big smile and his
laugh!!....when I heard of our loss my heart stopped . The world was
a better place when Lewis was here. My heart is broken.*

me laugh when I was around him. Everybody loved him. He will be

“ Just had some one tell when they started working at Auria Lewis found out they had a baby on the way and had been out of work for awhile and he came up to them and handed them 60 dollars and said buy that baby a car seat or what every you need. He said he didn't even know who Lewis was at time.
