“ Dear Regina, Jennifer and Family,
I am so sorry about the loss of my aunt and your mother. It was inevitable, so just maybe that makes it easier to face.
Regina remember when we were little girls. When my family and I came to visit grandma, Aunt Joyce would bring you and I think Greg over. We really got to know each other and had fun together.
Aunt Joyce had an easy going nature and I always felt comfortable around her. I am blessed to have known her. She looks a lot like grandma in this picture. Its not hard to tell we were all cut from a piece of the same cloth.
Share wonderful memories and have a beautiful funeral.
I know Aunt Joyce made a strong impact on the lives of her family and this is a sorrowful time. I am sending my love and deep heartfelt sympathy.
